About Us

Defining Spaces with Premium Surfacing Solutions

Founded in 2019, N.A.T.Co.,Ltd Slabs and Tiles set out to provide reliable, comprehensive surfacing solutions, from luxurious natural stone to advanced engineered materials.

We understand that wall and floor surfacing are not just functional; they are essential design elements that define the unique beauty and character of any project—be it a commercial landmark or a private residence.

Crafting Your Architectural Distinction.

Our Vision

From the start, N.A.T.Co.,Ltd focused on a singular mission: meticulously sourcing, importing, and distributing premium slabs and tiles. We strategically built crucial trade networks in core markets, including the United States, Germany, and Poland.

Today, N.A.T.Co.,Ltd Slabs and Tiles is a trusted global supplier. We are proud to serve a substantial client base with significant order volume across the Americas, Europe, Australia, and Asia. Our mission is simple: to deliver the quality and reliability that transforms architectural visions into enduring realities.
